ADVANCED ENT & ALLERGY - FINANCIAL POLICY

Our objective is to provide you with the highest quality health care in the most cost-effective manner. However, the ability of our practice to achieve this objective depends greatly on your understanding of our Financial Policy. If you have medical insurance, we will file insurance claims forms on your behalf. We do this as a courtesy to our patients and are eager to help you receive the maximum allowable benefits from your insurer. Even though we will file insurance claims for you, we need your active participation in the insurance claims process.

Please be prepared to make payment for your co-pay, outstanding balance or services not covered by medical insurance at the time of your appointment. If you are unable to attend your scheduled appointments, we ask that you provide at least 24 hours' notice to avoid a \$25–\$50 fee. A \$25 service charge will be added to any returned check. We thank you for your cooperation.

MEDICARE PATIENTS:

As a participating provider of Medicare Part B (physician services), our practice will only bill for your Medicare co-insurance, deductible and any services rendered but not covered by Medicare. All other services will be billed directly to Medicare. **NOTE:** You will be informed of services not covered by Medicare prior to these services being rendered. Your signature upon the appropriate Medicare waiver form represents your authorization for the physician to perform these services and your acceptance of the financial responsibility for these services. *If you only have Medicare Part A, then the services you receive from our practice will not be covered by Medicare*.

COMMERCIAL INSURANCE PATIENTS:

Remember that your insurance contract is between you and your insurer. If your insurance company pays only part of your bill or rejects your claim, you are financially responsible for the balance and will pay it upon receipt of your statement. If your claim remains unpaid by your carrier for more than 90 days from the date of service provided, the balance will become your responsibility.

NONPARTICIPATING PLAN PATIENTS:

As the insurance industry changes, our office must make choices about which plans to participate in. Your plan may be one that covers certain areas with "out-of-network" benefits. These are usually preferred provider organization (PPO), point-of-service (POS) or indemnity plans that cover percentages of our fees based on the contract with your carrier. In some instances, your carrier will send a check directly to you, the patient or the account guarantor rather than the provider's office. Due to this, we offer several options for you to ensure that your services are paid promptly. 1.) You may elect to pay your balance at or before the services rendered and receive a 30% prompt-pay discount. 2.) If you prefer that we bill your insurance carrier, the full charge will have 30 days to be satisfied, with no discount, either from the check you receive from the insurance carrier or your own funds. If your balance is not paid within 30 days of services being rendered, your account may incur additional collection fees to satisfy the account balance.

HMO/MANAGED CARE INSURANCE PATIENTS:

Many HMO/managed care plans require you to obtain a referral to see a specialist. It is your responsibility to obtain this referral if required. Unauthorized services will be the patient's financial responsibility. Please have your referral forms and membership card available when you check-in. You will be required to pay the co-pay for authorized services at the time of your service. **A \$15 service fee will be assessed to your account if a co-pay is not received at the time of service.** We will make every attempt to collect for our services with your insurance company; however, if your claim remains unpaid for 90 days from the date the services were rendered, the payment will become your responsibility.

PATIENTS WITH NO INSURANCE:

Patients with no insurance are required to pay for their visits at the time of service. If special financial arrangements are deemed necessary, you will be given information regarding whom to contact at the time of your visit. It is imperative you follow these instructions immediately to satisfy your financial responsibility for services provided to you.

I authorize payment of medical benefits to Advanced ENT & Allergy physicians or their designee for services rendered. I agree to allow this health care provider to file an appeal on my behalf with my health plan.

CULTURAL COMPETENCY

The State of New Jersey mandates every physician documents any barrier to care, including cultural and linguistic needs, in the medical record. Factors affecting care are visual and auditory factors, which may impede your ability to comprehend medical discussion, and language, cultural and religious customs, which may impact the provider's ability to provide medical care. Addressing these needs will improve patient satisfaction and also decrease health care disparities.

AFFILIATION NOTICE PATIENT DISCLAIMER & ACKNOWLEDGEMENT

Advanced ENT & Allergy is pleased to be affiliated with Penn Medicine and to participate in the Penn ENT Specialty Network. As part of the network, Advanced ENT & Allergy is working with Penn Medicine to improve the quality of care provided to its patients.

Advanced ENT & Allergy is an independent physician practice group and is not owned by or a part of the University of Pennsylvania Health System. Neither the University of Pennsylvania Health System nor the Hospital of the University of Pennsylvania dictates or directs the manner in which care is provided by Advanced ENT & Allergy. Each physician affiliated with Advanced ENT & Allergy exercises independent medical judgement in the care of his or her patients. If you have any questions about the relationship that Advanced ENT & Allergy has with Penn Medicine, please ask your physician.

PROCEDURE NOTICE

Please know that some commonly performed procedures of your ENT examination in this office may not be covered by your insurance carrier.

These may include FIBEROPTIC EXAMINATIONS of the nose and larynx/vocal cords. If such a procedure is performed, a procedural fee will be submitted to your insurance carrier. You should know that your insurance carrier may refer to these routine parts of your specialist's consultation as PROCEDURES or even SURGICAL PROCEDURES. If our office participates with your insurance carrier, you will only be obligated to pay for any deductibles, co-insurance and co-pays as agreed upon by you and your carrier. Please know that the performance of these procedures by your specialist is to give you the most accurate and best care available.
